March 7, 2017

Greetings Families,

This is the last week before our lovely spring break arrives. Thank you for your patience and support while we've been working out some of the kinks in the system, this last month. Thanks to Gianni for keeping the office running properly and pointing me in the right direction on many occasions.

We hope you have a nice break and are able to have some family time together. Enjoy, relax, and we'll see you back here on March 27.

LUNCH ORDER

Don't forget your lunch order, it must be in by Friday this week, if you want your child to eat school lunch the week we return!

MONDAY LUNCHESES

A reminder that on Mondays, when everyone brings a lunch from home, the lines for the microwave can get pretty long, and sometimes the kids wait 10-15 minutes to start eating their lunch. If possible, you may want to consider sending items that can be eaten cold on Mondays, sandwiches, cheese and crackers, etc.

FIELD DAY

Field Day is March 31st 8:30-11:30. We still need about 6 volunteers to make this happen! Thank you to everyone who has already signed up to help.

Mark your calendars for the Field Day volunteer training/information night Thursday 3/30, at 6:30pm at the middle school. We would like as many people as possible to attend, so we can ensure that Friday morning runs smoothly.

KITCHEN SUPPORT NEEDED!

We have 3 open spots right after Spring Break. Reminders will be sent.

Shifts are 11:45-2:00pm, and include a free lunch!

Thursday 3/30

Thursday 4/6

Friday 4/7

Please contact the office or Angie Henning <pyzdek@hotmail.com> if you can help cover any of these dates!

OUTDOOR CLUB GRADES 6-8

Joanna and Monica are offering a special ITE Club workshop after school on Thursday 3/30 and Wednesday 4/5 from 3-4:30. Students will learn how to make a backpacking cooking system. If your student is interesting in attending one or both of these club meetings, please fill out the form that will go home in Tuesday's orange folder.

Thank you!

Joanna and Monica

OFFICE CLOSED MARCH 11-26

The office is closed during break. If you need to reach someone, you can call the school and we will check messages and get back to you. Or you can email Pam (probably the best way) batemanp@vailschooldistrict.org

March 7	3:15	Site Council meeting
March 11-26		Spring Break
March 27		Return to school
March 31	8:30	Field Day
