

SCHOOL NEWS

April 11, 2017

THANK YOU LUNCH VOLUNTEERS!

Lita had to be out unexpectedly this week, and we had volunteers step up and take over the kitchen and give us some great lunches. A special thanks to Cheryl Cahill for taking the lead on both Wednesday and Friday, Yeka Bruner for Thursday, and Jen Branch today. So many parents stepped in to help prepare our delicious meals, we thank each and every one of you.

This is one of those real life lessons that we love to remind the kids about, when there is an unexpected event or a change, we come together as a community and work together to solve the problem. We appreciate all of you and your support.

MEDICAL NOTICE

Please be aware that there has been a confirmed case of pink eye in the youngers' classroom. Noting to panic about, but, just be aware, and watch your child for any signs of pink eye.

NO SCHOOL FRIDAY!

TESTING WEEKS AHEAD

For all students in grades 3-8 the next couple of weeks will be our testing window. Each class has a specific testing schedule, so we will not list them all here. Please be sure that you are aware of your child's (or children's) specific schedule. If you don't know, please contact the teacher for that information.

GRASS FERTILIZATION

On Thursday, April 13th the grass will be fertilized so it can sit for 3 1/2 days while we are on a long weekend. We are mentioning this so that you don't let your kids play on the grass after 12:00 noon on Thursday. Thanks for your awareness of this.

VOLUNTEER APPRECIATION DESSERT

Please send back your RSVP for the volunteer dessert on Monday, April 24th.
